Getting the Most from Census Research. Learn tips and tactics to make the most of your census research. Learn how to avoid common pitfalls and use a variety of censuses to learn about your ancestors and track down those elusive relatives. Get beyond the census indexes and broaden your focus beyond a specific relative to get the whole story.

Presenter: Carol P. McCoy, Ph.D. president of Find-Your-Roots in Yarmouth ME has been tracing her own roots for more than 25 years and has been helping others find theirs for the past seven years. With her background in psychology and training, she is an engaging and popular speaker, who teaches Finding Your Roots at the USM Center for Continuing Education. To learn more about her please visit www.find-your-roots.com.
